

Introducing

I-Create

at Lepak & Associates

PRESENTING
A POWERFUL NEW
**Parent & Caregiver
TOOL**
Improving
Communication
and
**Behavior Learning
Challenges**

Incorporating Personalization
and Technology to Visual &
Audible Strategies that
Inspires Independent Learning
& Doing that Individuals can
utilize throughout their daily
routines.

Benefits:

- ▶ Individuals not only **Share the Task Goal** but have also **Created**

**Their Own Personal
Systematic Process**

- ▶ that provides the **Constant Stream of Meaningful Information** in **Step-by-step** format to help them accomplish the task.
- ▶ When they create with **I-Create**, the **knowledge** is more likely to be **embedded, retained** and **available** for later reference.

TOTAL COMMUNICATION

I-CREATE ... A SLICE of Therapy

* Each **Mini-Project** can be **Completed**
In **1 – 2 Group** or **Individual Sessions**.

Individuals become:

- ▶ **Motivated** and
- ▶ **Engage** in **Deeper Learning**
- ▶ Dramatically **Reducing Off-task** Behaviors.

While Doing & Communicating

They Create Either a:

- **Routine Informational Plan** or
- **Expression of their Own Personal Interest**

Select 1 Mini-Project Goal

- ▶ All About Me
- ▶ Personalized Social Stories
- ▶ Speech and Language Goals & Core Academic Areas.
- ▶ Cooking / Building
- ▶ Social Skills Training

Each I-Create Session

Provides an
AFFORDABLE PRODUCT
DYNAMIC-IN-NATURE
where it can
Evolve
Expand &
Adapt
to various changing
circumstances and needs
Allowing it to
Stay in Alignment
with
Your Learners Stride

Total Communication
