“Social Thinking” Training

Lepak & Associates in their effort to remain at the top of their professional field, have received intense training in “Social Thinking”. The elements of “Social Thinking” are now interwoven in all of our social language groups as well as our individual treatment sessions. We are pleased to keep you informed of our professional trainings.

“Come Experience Our Excellence”

Please visit: www.socialthinking.com for more information on Michelle Garcia Winner’s “Social Thinking”.
